Undergraduate Notes

1. *Per the IPEDS standard, the reporting period for each academic year corresponds to degrees awarded between July 1 of the previous calendar year and June 30 of the subsequent calendar year. For example, the 2018-2019 column consists of degrees awarded at the conclusion of three terms: Summer 2018, Fall 2018 and Spring 2019. Data is current as of the date listed at the bottom right of each page.*
2. *The numbers on this report are a count of unduplicated degree records. Since some undergraduate students earn multiple bachelor's degrees (e.g., B.A. and B.S.) in the same academic year, and each degree has its own primary major, these students are counted twice on pages 1-2, with a separate "Unduplicated Headcount" row indicating how many unique students completed a degree in that year. Students completing a second or third major within a single bachelor's degree program are counted once on pages 1-2 and also counted on page 3.*
3. *Triple majors included in this report:*

2016-2017	1 male student earned a B.A. in Accounting, Finance, and Economics
2017-2018	1 female student earned a B.A. in Criminal Justice, Psychology, and Sociology
	1 male student earned a B.A. in Criminal Justice, Sociology, and Psychology
